### Pope's Intentions (July 2019)

#### Universal – Justice:

That those who administer justice may work with integrity and that the injustice which prevails in the world may not have the last word.

### Family, Church, Country: Live to Grow it

Dear brothers and sisters,  
We probably handle a dollar bill every day, but I wonder how often we look at anything other than the number one in the corner. If you look at the back of a dollar bill, you find the Great Seal of the United States. An eagle holding in its claws arrows to symbolize war and an olive branch to symbolize peace; on the back of the seal you will find a pyramid, which stands for our country. At its base in Latin numerals are printed seventeen seventy-six, the year of the founding of the republic. "Novus ordo seclorum" which translated means "new order of the ages". But this pyramid is unfinished. It only goes about two thirds of the way up. It makes a statement that America is unfinished, yet to complete. We are still working to finish the principles of justice, freedom and peace on which this country was founded. It is still a task to be completed 246 years after.

If you look at the unfinished part of the pyramid, you find an eye and a Latin motto that reads, "Annuit coeptis," which translates, "God has favored the undertaking." The eye is the eye of God. Together with the motto it forms an act of faith on the part of the founders of this country. It testifies that they believed that God was involved both in the founding and finishing of this nation, that God's activity was a part of their vision.

What the dollar bill tells us is that we are called to bring our faith to the finishing of America. Now clearly there are many faiths in America - the faith of most religions of the world. We as believers are expected to contribute our faith convictions to the discussions on all the important issues that are facing our country - on abortion, on war, on euthanasia, on health care, on capital punishment, on education and poverty. All of these political issues have a moral dimension. The same Christ that sent out his disciples to live, grow and perfect His kingdom expects us to contribute our voices to the future of what our country will become.

You may say, "What difference does my voice make? Remember the snowflake story: It weighs nothing; but it could break a branch. It means that there is only one person's voice lacking in order to bring peace in our nation. Be proud of your share in your family, church and country.

With prayers and blessings!

Msgr. Xavier
