Christ-Cultural or Counter-Cultural

Dear brothers and sisters,
It's been said that you shouldn't accept your dog's admiration as conclusive evidence that you are wonderful. If you want a true measure of your worth, get a cat!

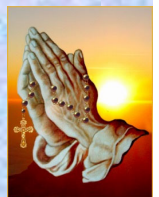

Christ-culture: "Don't invite those who will invite you back; that will be your only reward. Instead, invite the poor, the crippled, the lame, and the blind, who could not repay you; but God will reward you." The sign of the saved is their love for the least. Jesus' act of accomplishing salvation for Christians is described as an act of humility. (Phi. 2) Humility was and is a needed culture of virtue to the followers of Jesus. (Lk. 1:48,52; 18:14; Col. 3:12; James 3:13; 1 Pet. 5:5) It is a sign of strength, not of weakness. Humility is above all, simply, truthfulness--self-honesty. "True humility is not thinking less of yourself; it is thinking of yourself less."
Counter-culture: We tend to enter our social gatherings... with a desire for finding security and importance through others. We tend to seek to gain our own value by who we are near and how we are seen. Everything is an opportunity to find our place. True honor isn't something we can gain by seeking its position; but it only comes from that which is honorable from humility. So begin with humility...and honor will come. (Lk. 14:10)

Once a teacher was teaching in a prison on banking. When the subject came on ATMs, he mentioned, most of the machines contain only \$1500 at a given time. A man from the class raised his hand and said, But the machine I robbed had about \$5000 in it." Sometimes we learn best by experience. And that's how it is with humility.

Today, our gospel has evolved into a gospel of addition without subtraction - add Christ to life, but not subtract sin! It is not Christ-Culture! Therefore, let us add Christ and His culture. It is better to be humble than be humiliated. Prayers & Blessings! Msgr. Xavier

YOUTH MINISTRY

BACK TO SCHOOL BASH WAS A BLAST

A BIG THANK YOU to all of our donors and volunteers. Because of your generosity many teens were able to come together and have a blast for the kickoff party of the new youth group, His Flock!

MAKE SURE TO ATTEND YOUTH GROUP!!
Wednesdays at 6:30 p.m.
in the St. John Paul Center.

HIS FLOCK

**ALL our YOUNG people
(from 9th - 12th grade)**

We meet on Sundays at 3:00 PM & Wednesdays at 6:30 PM the St. John Paul Center. Bring your friends (Catholic or non-Catholics) It's all about Jesus.

This new youth program plans to offer a way for teens in the 9-12th grades to come together every week and have fun, thought provoking group sessions. Each group session will reach teens on a personal, spiritual and educational level making the teens want to become part of His Flock!

We plan to provide the best opportunities for the youth community for spiritual and personal growth. This will be achieved with activities focused on not only the enjoyment of teens but also help, foster their religious education, fellowship among their peers, providing service and outreach for those in need and building the future leaders of the Church!

New Youth Ministries Coordinator David Chavarria

Thank you for the wishes and the enthusiasm everyone showed to David after this announcement. With many ideas to grow the youth community David needs your help, whatever your skills. Food, Chaperones, Drivers, and ALL parents to bring your teens to youth group each week.

Why are Youth Programs Important?

Youth programs offer huge benefits to tweens and teens. Researchers refer to the Six C's - desired outcomes that many youth programs provide to young people:

1. Competence in academic, social, and vocational areas.
2. Confidence or a positive self-identity.
3. Connections to community, family, and peers.
4. Character or positive values, integrity, and moral commitment.
5. Caring and compassion.
6. Contribution.

As children grow to middle and high school age, they seek more autonomy and independence. They naturally react against authority and the kinds of structure found in programs for younger children. Not surprisingly, these youth program qualities benefit teens developmentally.

Youth programs are important because they can help build these Six C's, preparing adolescents for a variety of roles they assume as they reach college-age and the workforce. What tweens and teens learn in youth programs can help them develop better social skills, become leaders, gain greater knowledge of themselves, and foster lifelong relationships.
