Just Give or Count the Cost?

Dear brothers and sisters,
A little boy was leading his sister up a mountain path and the way was not too easy. "Why, this isn't a path at all," the little girl complained. "Its all rocky and bumpy." Her little brother kept on up the mountain, pausing just long enough to call out "Sure, but the bumps are what you climb on."

Following Jesus or being a true Christian costs much. It costs a relationship: Jesus says, 'I am first, and your family next.' Why? If you don't follow Jesus truly, you will not love your family rightly. Your family is not going to be a godly family.

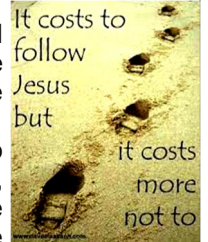

It costs our status: Servanthood becomes an attribute - Jesus came as the one who serves and not to be served - He washed the feet of his disciples.

It costs us financially: You may have to give up a job to preserve integrity, honesty and moral teachings of the Catholic church while wanting to be the disciple of Jesus. "Any one of you who does not renounce all that he has cannot be my disciple." (Lk. 14:33) Do you tithe or support the church financially?

It costs our time: You can't have a relationship with God without giving him 'His' time. Jesus went very early in the morning and late at night to pray to His Father. He didn't have to, but he did regularly. He took time to teach His disciples to pray, to teach, etc. He invites us: "Come to me and learn from me...[Mt. 11: 28-30]"

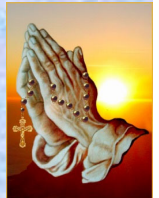

St. Paul's words summarizes this: "I count everything as loss because of the surpassing worth of knowing Christ Jesus my Lord." (Phil.3:8) St. Ignatius of Loyola says, "Teach us to give and not to count the cost." Let us learn from Jesus how to give ourselves. [Lk. 6:38]

YOUTH MINISTRY

HIS FLOCK

**ALL our YOUNG people
9th - 12th grade**

We meet on Wednesdays at 6:30 PM in the St. John Paul Center. Bring your friends (Catholic or non-Catholics.) It's all about Jesus. This new youth program plans to offer a way for teens in 9th-12th grades to have fun, thought provoking group sessions. Each group session will reach teens on a personal, spiritual and educational level making the teens want to become part of His Flock!

We plan to provide the best opportunities for the youth community for spiritual and personal growth. This will be achieved with activities focused on not only the enjoyment of teens but also help to foster their religious education, fellowship among their peers, and by providing service and outreach.

Why are Youth Programs Important?

Youth programs offer huge benefits to tweens and teens. Researchers refer to the Six C's - desired outcomes that many youth programs provide to young people:

1. Competence in academic, social, and vocational areas.
2. Confidence or a positive self-identity.
3. Connections to community, family, and peers.
4. Character or positive values, integrity, and moral commitment.
5. Caring and compassion.
6. Contribution.

As children grow to middle and high school age, they seek more autonomy and independence. They naturally react against authority and the kinds of structure found in programs for younger children. Not surprisingly, these youth program qualities benefit teens developmentally. Youth programs are important because they can help build these Six C's, preparing adolescents for a variety of roles they assume as they reach college-age and the workforce. What tweens and teens learn in youth programs can help them develop better social skills, become leaders, gain greater knowledge of themselves, and foster lifelong relationships.
