Squandering: Time, Talents & Treasure

Dear brothers and sisters,
All we are and all we have belongs to God, (Ps.89:11; 1Cor.10:26) time, talent and treasures. We are stewards of God. These must be used to glorify God and fulfill His purpose.

Jesus doesn't call us to be rich or to be poor but to be good stewards with whatever we have. It's not about our financial position it is about your faithfulness with what God has entrusted us. (Lk. 16:10) If you can't be faithful with the temporal things, why would He trust you with eternal spiritual things?

In the early 1900's a young man began a small cheese business in Chicago. He failed. He was deeply in debt. A Christian friend told him, "You didn't take God into your business. You have not worked with him." Then this young man thought, "If God wants to run the cheese business, He can do it, and I'll work for Him and with Him." He turned his business over to God and started tithing. The business began to grow and prospered to become the largest cheese company. The name of that young man? J.L. Kraft, the president of the Kraft Cheese Company!

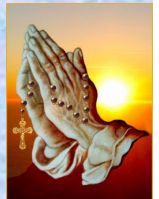

Those who honor God with their finances, or their time, or their talents can be entrusted with larger responsibilities and riches. But if we don't include God in our planner we will be squandering our time, talent and treasures. (Ps.127:1)

Some people love money more than God. To them God is a means to an end, wealth; money is God. It's not a sin to make money, earn money, save money, or have money, but it is a sin to worship money. Before you spend money, ask: "Jesus, how do you want me to spend your money?" Thus you prove yourself to be a good steward of God's blessings, not squandering!
Msgr. Xavier

YOUTH MINISTRY

HIS FLOCK

**ALL our YOUNG people
9th - 12th grade**

We meet on Wednesdays at 6:30 PM in the St. John Paul Center. Bring your friends (Catholic or non-Catholics.) It's all about Jesus. This new youth program plans to offer a way for teens in 9th-12th grades to have fun, thought provoking group sessions. Each group session will reach teens on a personal, spiritual and educational level making the teens want to become part of His Flock!

We plan to provide the best opportunities for the youth community for spiritual and personal growth. This will be achieved with activities focused on not only the enjoyment of teens but also help to foster their religious education, fellowship among their peers, and by providing service and outreach.

His FLOCK has a Facebook page.

Follow us on Facebook to see the youth engaging in the community, updates and pictures.

Why are Youth Programs Important?

Youth programs offer huge benefits to tweens and teens. Researchers refer to the Six C's - desired outcomes that many youth programs provide to young people:

1. Competence in academic, social, and vocational areas.
2. Confidence or a positive self-identity.
3. Connections to community, family, and peers.
4. Character or positive values, integrity, and moral commitment.
5. Caring and compassion.
6. Contribution.

As children grow to middle and high school age, they seek more autonomy and independence. They naturally react against authority and the kinds of structure found in programs for younger children. Not surprisingly, these youth program qualities benefit teens developmentally. Youth programs are important because they can help build these Six C's, preparing adolescents for a variety of roles they assume as they reach college-age and the workforce.

What tweens and teens learn in youth programs can help them develop better social skills, become leaders, gain greater knowledge of themselves, and foster lifelong relationships.
