Insulated, Not Isolated!

Dear brothers and sisters,
I was thinking that if I was hanging around Jesus and saw Him doing all those amazing miracles, I would think to myself...duh! This man has supernatural powers; I don't need to worry about a thing!

God who holds all things together (Dt. 32:39; Ps.147:15-18; Is.45:7; Mt. 5:45) St. Paul experienced that power: Who shall separate us from the love of Christ, shall tribulation, or distress, or persecution, or famine, or peril, or sword? (Rom. 8:35-39)

In all my 43 years of my priestly life and service to His people, He stood by me! He calmed my storm; solved my problems; healed my sickness; saved me from my fatal bike and car accidents more than once; drew me out of drowning situations; put His words in my mouth; filled my human weakness with His Holy Spirit; I can go on and on. He shared His priesthood with me; and I included Him in my priestly life! He does not sleep or slumber. (Ps. 121:1) I am not isolated, but insulated by Jesus.

What does your Catholic Life teach you about TRUSTING Jesus in FAITH? Jesus asked His disciples in their storm: "Why are you terrified? Do you not YET have Faith?" What is it that "YET" means to you? What is the best evidence you can narrate to someone that you have the power of Christ guiding and leading you!

A woman went to the doctor's office, where she was seen by one of the new doctors, but after about 4 minutes in the examination room, she burst out, screaming as she ran down the hall. After calming her down, an older doctor went and asked him, "What did you do to her? She is 63 years old, has four grown children and seven grandchildren, and you told her she was pregnant?" Her doctor replied, "Does she still have the hiccups?"

God calms the storm, but most of the time He lets it rage - and calms us! We are not isolated but insulated! Be calm; don't storm! Blessings! Msgr. Xavier

Pro-Life: Fetal Development, Month 3

The baby can now squint, swallow and move his tongue. He sleeps and awakens. Fingernails and toenails form and he now has his own unique set of fingerprints. Sensitive to touch, he will tightly grasp an object placed in the palm of his hand. He breathes amniotic fluid to help develop and strengthen the respiratory system, but he gets the oxygen he needs through the umbilical cord. Please visit the poster on the bulletin board in the foyer.

Why Ages 2-7 Matter?

Why must I register?

So Much for Brain Development!

This first critical period of brain development begins around age 2 and concludes around age 7.

It provides a prime opportunity to lay the foundation for a holistic education for children.

Four ways to maximize this critical period include encouraging a love of learning, focusing on breadth instead of depth, paying attention to emotional intelligence, and not treating young children's education as merely a precursor to "real" learning.

Don't delay your child's learning!

Evangelize, Catechize and Form Disciples

My child has received
First Communion and Confirmation
What is next?

1. Receive Jesus in the Eucharist as often as you can, who is truly present, body and soul, humanity and divinity.
2. Be a Catholic: By the reception of the Eucharist we become tabernacles. That's what really makes Catholics Catholic. Without the Eucharist, we're like everyone else. There's no difference.
 Let us be Catholics. Bring your children for Mass and to receive communion.
